2016 *Sports Illustrated* Swimsuit Issue cover star Hailey Clauson celebrated her 21st birthday with all the glamour you'd expect from a coming-of-legal-age supermodel, dining and clubbing at the opulent Wynn Las Vegas.

Early Friday evening, the stunning blonde California native arrived at the Encore resort at Wynn Las Vegas with 10 friends in tow. The group dined at **Jardin** restaurant where Hailey posed for a photo with Executive Chef Joseph Zanelli before indulging in a decadent flower pot dessert.

Saturday afternoon, Hailey and her friends hit **Encore Beach Club** where they partied in a luxury private bungalow overlooking the hot pool party action. Drinking Grey Goose and Jack Daniels cocktails, the ladies mostly tanned on daybeds while the guys partied with more fervor dancing to the sounds of DJ Snake who was spinning his hits. Hailey, wearing a sexy one-piece swimsuit, posted on [Instagram](#) a selfie taken with a friend inside the bungalow.

After getting her hair styled by Claude Baruk at his namesake salon in Encore, Hailey and company arrived for dinner at celebrity hotspot, **Andrea's**. She stunned in a periwinkle asymmetrical dress. Executive Chef Joseph Elevado presented her with a platter of the restaurant's signature specialty rolls which included toro + tuna, albacore + kiwi, king crab + fluke, and a special cucumber roll which the party enjoyed along with a selection of Asian specialty dishes.

After dinner, the party moved a few steps away to **Encore Players Club**, the luxury gaming lounge on the casino floor. Hailey and her friends poured Red Bull and vodka "Jackpot" drinks from a large crystal decanter while several from the group shot pool.

The evening of celebration culminated at **Surrender Nightclub** where rapper Big Boi was behind the decks. Hailey and friends drank Grey Goose cocktails and were seen dancing, laughing lots and having a blast. Hailey was surprised and delighted when Surrender staffers arrived with a custom birthday cake topped with the number 21. The party went strong at Surrender until the wee hours of the morning.
